## Senior of the Week

A small cyclone was headed for the River, Michigan. Sure enough, on February 27, 1935 it hit. A baby was brought into the Universe, and was none other than Betty Jane Jones.

Betty stands 5' 5", has dark brown hair, and black hair. There isn't a nicer, more pleasant girl in LaSalle. She is friends with everyone and has a smile for all.

Betty started in LaSalle and when she was in the 6th grade went to the Third Ward school. Then when she started the 7th grade she came back

when the sun is shining so bright, that the heart forgets all of its troubles, and feels so carefree and light.

—Carol LaLonde

The 1953 Lasalle Varsity Football Team had a very successful season considering the stiff opposition played, including three Class 'B' schools.

The Saints commenced their 1953 schedule by whipping St. Francis of Petosky 59-0. Arnie Frazier led the scoring parade with three touchdowns. Also scoring were Joe Frazier with two, Lehto, LaRocque, Olmstead, and Massey with one.

The second game was played under the lights at Cheboygan against Catholic Central and the Saints won handily 25-0. The win cost St. Ignace its sparkplug Mike "Bullet" Lehto.

His value to the team was apparent in the next game as the Saints were beaten 21-6 by Sault Colligate in Canada. J. Frazier scored the lone T. D. An injury put A. Frazier out for the season in this one.

Rogers City came to town and took the crippled to camp 25-6. Lehto limped for 50 yards with a pass from Massey for the six pointer.

Playing at night for the second time the LaSalle team couldn't get their defense organized and lost 32-18. Scoring were Lehto, A. Frazier, and Olmstead.

A once beaten Cheboygan High team handed St. Ignace a 33-7 licking on our home grounds. Massey was put out of commission in the opening minutes. All-stater Tommy McGinn led them with four T. D.'s.

Closing out the season on the warpath the Saints crushed Hillman 52-0. Scoring in the rout were J. Frazier, Lehto, and LaRocque with two and Adams along with Olmstead scored once.

St. Ignace had the unusual distinction of being probably the only upper peninsula team to play only teams from the lower peninsula and a foreign one but not a single game with a U.P. foe. The Saints were the second highest scoring team in the U.P.

Trophys were awarded to Mike Lehto as the Most Valuable Player, Ron Walker as the Best Tackler, and Arnie Frazier as the Best Blocker.

The prospects of a winning season in baseball look bright for the Saints this year. Few players were lost by graduation last year so most of last year's team, which finished in second place in the conference, will be back again this year. The big gun of the team is Arnie Frazier a southpaw pitcher and leading batter on the team.

The principle events of the year, however were the initiation of new members and the Athletic Banquet.

Officers were: Dan LaRocque - President

## *Homecoming*

Every student in LaSalle High co-operated to make the 1953 Homecoming an unforgettable spectacle. Festivities started by the election of a king and queen to preside over the Homecoming. Two Seniors, Carolyn Krause and Tony Earl were elected. Next came the traditional State Street parade, with homerooms and entering floats. The Juniors' float was acclaimed by many to be the best. The big afternoon brought ideal football weather, a spirited crowd, and a tremendous 52-0 victory for the Saints over Hillman. The spirit of victory lasted far into the evening as the students celebrated the victory at the annual LaSalle Carnival.

## *Our Junior Year*

In our Junior Year we, the Class of '54 were in charge of three outstanding activities. They were as follows:

Junior Play - The title of our Junior Play was MEN ARE LIKE STREETCARS. It was the hilarious story of a teenage girl trying to get her older sister married off, and how she lost the good graces of both her family and her friends before she was able to straighten things out. Joanne Huyck, as Maudie, was the star of the play. It was directed by Mr. Story and presented on April 23 and 24, 1953.

Prom - When we, the class of 1954 put on the Prom in our Junior Year 1953, we really put on a good one.

It was the most expensive, most beautiful, and the most acclaimed Prom that old LaSalle High has ever seen.

The Theme was "Manhattan Serenade" and the gym was modeled after the famed "Club 21" in expert fashion.

Junior \* Senior Banquet - The Banquet, held shortly after the Prom, in the atmosphere of the Club 21, was a very special event for us as it lifted us from the ranks of underclassmen to the "elite" of LHS. A delicious meal was prepared by the mothers of the Class of '54 and it was served by the Class of '55. Speeches were made by John Monville, president of the Class of '53, and Louis MacDonald, our Junior Class President. Entertainment was furnished by Lois Martineau and Norma Paquin.
